**EVERY DOLLAR YOU SAVE IS A BOOST TO THE ECONOMY**

Some people would have you believe that saving money is a disservice to the economy of this country. Nothing could be further from the truth.

Take our business - the Savings and Loan business. What do you suppose happens to the money you save at a Savings & Loan Association?

It goes to work!

Your money is loaned out to build new homes and churches and shopping centers, and low cost multiple dwellings.

And that means jobs. Jobs for carpenters, bricklayers, plumbers, road-builders, painters and a host of other occupations. Jobs for the people who cut the timber, make the bricks, manufacture the plumbing materials and paint.

And your savings have only begun to work. Homes need furniture and carpeting and appliances and landscaping and dozens of other services. New businesses are born and grow and prosper. Supermarkets. Gas stations. Appliance stores.

The list is endless. It goes on and on. Your savings working to build the economy while they are building for your future.

It has been estimated that every dollar provided by a Savings and Loan creates four dollars of new economy activity.

Do something good for yourself. Open an account here. We'll put your money to work - for you and for the country.

# THIS IS HOBART

**Hobart City Hall**

Hobart is located on Interstate 65, U.S. 6 and State Rt. 51, and is within three miles of the Indiana toll-way, I-80, I-94, U.S. 12, 20 and 30.

The city is run by a mayor and a seven-member city council, and has outstanding police and fire departments. Several national honors have been won by the fire department, which has spearheaded an annual clean-up campaign which has brought awards to the city for the past several years.

A new south fire station was recently completed near the site of Hobart's new hospital, St. Mary Medical Center.

Police and jail facilities are located in the modern city hall completed in 1967.

**No. 1 Fire Station**

Industry in Hobart includes one of the largest model airplane factories in the nation. An Industrial Foundation is operated to assist new industries wishing to locate here. Prudential Insurance satellite office located in Hobart is now the largest employer.

A week-long celebration, long a tradition in Hobart, is sponsored by the Chamber of Commerce and Hobart Jaycees with other organizations assisting. The parade and 4th of July celebration are considered the largest in the state.

A SPECIAL U.S. CENSUS IN 1966 LISTED A POPULATION OF 20,875, MAKING HOBART A THIRD CLASS CITY. 1977 ESTIMATED CENSUS WAS 26,000.

Hobart airport is located just outside the city limits. Railroads serving Hobart include the EJ&E, Penn Central, and Norfolk and Western.

**Chamber of Commerce**

The Hobart Chamber of Commerce, 18 East Ridge Road, Hobart, Indiana 46342, is an organization to support and advance the best interest of the City of Hobart. It aids any activity which serves to improve the public welfare of the city. Phone: 942-5774.

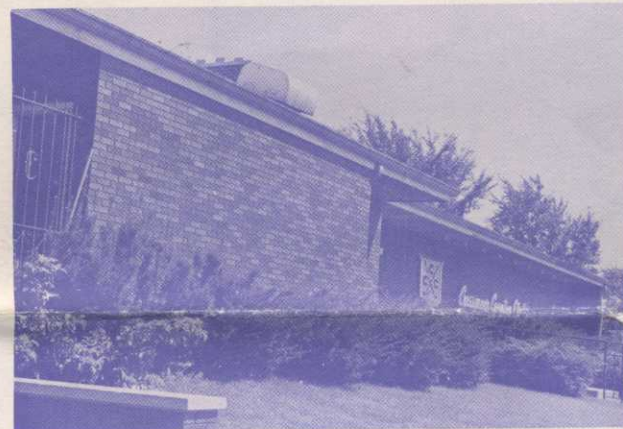

Primarily a bedroom city with residents employed in nearby industrial cities, Hobart is built around Lake George which stretches from the center of the city to the southern city limits.

**Lake George**

For recreation, an outdoor private swimming pool was constructed by citizens joining forces a few years ago. A new YMCA building contains an inside pool. There are two bowling alleys, a skating rink, a movie theatre which caters to adult patrons and two golf courses.

For the sports minded, Hobart offers Little League, Pop Warner, Youth Basketball, Girls' Softball, Men's Softball, and Women's Softball leagues. There are also several tennis courts throughout the city including four which are lighted for night playing.

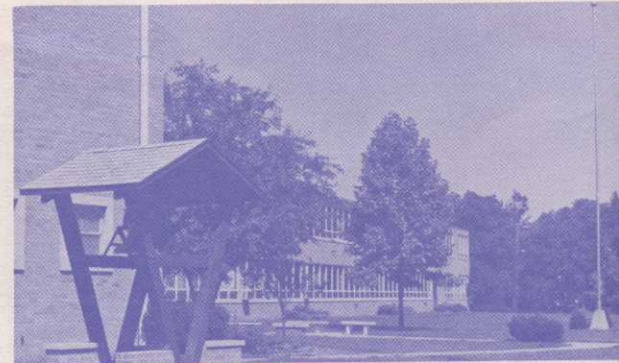

**Cressmor Country Club**

A summer recreation and craft program is offered in the city parks under the direction of the park department.

An excellent school system is maintained with five elementary schools, a junior high school, a senior high school and two parochial schools as well as facilities for educable and trainable retarded children. There are also three nursery schools.

Hobart high school band, organized in 1925 by Dr. William Reveli, holds a record 40 consecutive first place ratings in state contests.

# THIS IS...

# hobart federal savings and loan association

Once the winter hunting grounds of the Potowatome Indians, Hobart was founded by George Earle in 1845 on Deep River which he dammed for use as a grist mill and a saw mill.

The grist mill made Hobart, which was on the Chicago-New York stage coach route, the commercial center for farmers and the first railroad center in Lake County.

By 1870 Hobart had a population of 500, the finest hotel in the area and the first and only art gallery in the area.

Lutheran, Methodist, Unitarian and Catholic churches were organized by 1875 and three local bands flourished.

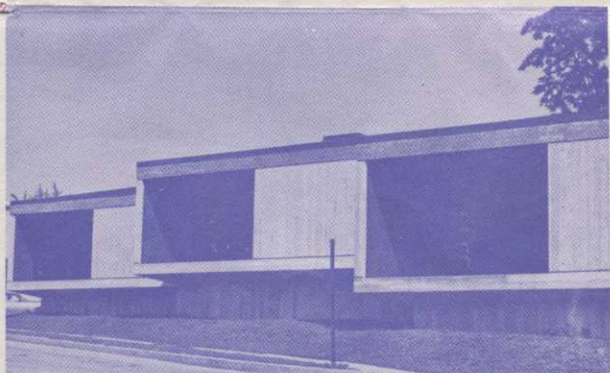

**Hobart Historical Society**

The purposes of the Hobart Historical Society are to study, promote interest in, and preserve our local heritage.

The Hobart Historical Society, Inc. Building was originally the Hobart Public Library Building dedicated February 11, 1915. Funds and help had been received from the Carnegie Library Commission, the Hobart Township and the Gary Public Library. This building is a monument commemorating the efforts of the Women's Reading Club of Hobart.

To preserve this building the Hobart Historical Society purchased it from the Lake County Library Board in June, 1968.

**Hobart Public Library**

**St. Mary Medical Center**

St. Mary Mercy Hospital Southeast, located at 61st and Lake Park Avenues in Hobart, Indiana is a modern, full-service, newly constructed, acute care hospital of 184 beds. It is approximately 100,000 square feet and is the first phase of a long range program in the development of the 85.5 acre tract of land into a medical complex consisting of several buildings devoted to the delivery of health care.
